

are all optical coatings alike?

we say “bah”.

At Deposition Sciences you'll find a lot more than the usual run-of-the-mill optical coatings. Our ultra-durable coatings and patented deposition processes have made us leaders in coating technology. And we're leading the herd again with our newest coatings on plastic – the perfect solution when

lightweight or low cost optics are required. Soon you'll have even more to chew on. Our focus on eco-friendly, energy efficiency, is putting exciting new coatings on the horizon. From visible to UV and IR, visit us today at www.depisci.com. DSI – where precision optical coatings are *not* created equal.
